# Example Of Personal ClockBox Use - Multi-Signature Docs

1. *harry@gmail..* requests a spreadsheet with the following quorum
  - a. Harry@.. must be present to open the spreadsheet and he has read/write access
  - b. Rodney@ must be present and ONE of abcd@.. Or reina@.. must be present for a quorum total of 3
  - c. ClockBox auto-locks are 30 minutes
2. An URL is generated and emailed to ALL participants of the asset
3. Subsequently, users going to the URL will be prompted to sign-in
4. When ClockBox quorum is met - the asset will open on a new tab for users to access
5. ClockBox will reset and auto-lock after the amount of lock time has expired
